

# Multivitamin & Omega-3

## Orange Flavour

The vit360 Multivitamin & Omega-3 liquid combines high levels of Omega 3 along with a number of beneficial vitamins for overall health.

- Each 10ml serving provides 696mg of Omega 3, supplying over 600mg of EPA & DHA.
- Vitamins A, C and E support the normal function of the immune system.
- Vitamin D contributes to the maintenance of normal bones and teeth.
- Thiamin contributes to the normal function of the heart.
- Vitamin A and riboflavin contribute to the maintenance of normal vision.
- Pantothenic acid contributes to normal mental performance.

**Directions for Use:** Adults and children over 12 years: Take 10ml (2 x 5ml teaspoon) daily. Children 3-12 years: Take 1 x 5ml teaspoon daily. Do not exceed the recommended daily dose.

**Important:** Do not use if cap seal is broken. Keep out of sight and reach of children. Food supplements should not be used as a substitute for a varied diet and healthy lifestyle. This product contains Vitamin A: do not take if you are pregnant or likely to become pregnant, except on the advice of a doctor or antenatal clinic. Store in a cool, dry place below 25°C, out of direct sunlight. Once opened keep refrigerated and use within 60 days. Packaged in a protective atmosphere. No artificial colours, flavours or preservatives.
