

Immune Plus+

Vitamin C, Vitamin D & Zinc

vit360 Immune Plus+ is designed to address the needs of individuals looking for an immune boosting formulation that prioritizes key nutrients important for a healthy lifestyle.

Our unique formulation includes the following key ingredients:

Vitamin C contributes to normal energy-yielding metabolism, functioning of the nervous system, reduction of tiredness and fatigue and increases iron absorption.

Vitamin D aids normal function of the immune system and helps support bones, teeth and muscle function.

Zinc contributes to normal cognitive function, the protection of cells from oxidative stress and maintenance of normal vision.

Directions for Use: Adults and children over 12 years: Mix one sachet in a 200ml glass of water daily, to make a refreshing drink. Do not exceed the stated daily intake.

Important: Do not use if packaging is damaged. Keep supplements safely out of sight and reach of children. Food supplements should not be used as a substitute for a varied diet and healthy lifestyle. Excessive consumption may produce laxative effects. Store in a cool, dry place not exceeding 25°C.

Ingredients: Bulking Agent (Sorbitol), Ascorbic Acid, Citric Acid, Acidity Regulator (Sodium Hydrogen Carbonate), Maltodextrin, Anti-Caking Agent (Silicon Dioxide), Sweetener (Sucralose), Zinc Oxide, Natural Flavouring, Acacia Gum, Colours (Beetroot Red, Riboflavin), Modified Maize Starch, Sucrose, Cholecalciferol.

Suitable for vegetarians.

No artificial colours or preservatives.
